

## MAPS PSA

[clock ticks] Every second today, someone flees their home due to natural disasters. The Arctic ice that regulates our planet's weather is vanishing. That means floods, droughts and more are on the rise. You have the right to know there's a simple solution. My name is Parvati. Please join me in creating a healthy future with the Marine Arctic Peace Sanctuary, MAPS. [fade up OA]  
Get involved at [Parvati.org](http://Parvati.org) P A R V A T I .org. It literally means the world.
