NCRA/ANREC SUPPORTS RESOLUTION FOR A STRONG CKLN

In light of ongoing developments concerning the staff and volunteers at CKLN 88.1 FM Ryerson University, the NCRA/ANREC would like to reiterate its position. As an organization committed to the strength and growth of Campus and Community Radio across the country, we support a resolution to any conflicts regarding members of our sector.

The NCRA/ANREC is committed to respect, tolerance, accessibility, and inclusion, ideals that embody the basic spirit of community radio. We support only resolution proceedings that function with these ideals in practice.

The NCRA/ANREC is concerned about the future and welfare of CKLN. We would like to encourage all sides of the dispute to engage in productive and progressive discussion. To that end we are offering our support and will gladly assist in locating neutral, professional mediators. CKLN is a valuable community resource and the NCRA/ANREC desires a healthy resolution to any and all disputes currently at hand.
